search Grounds Management

THE BOTANICAL GARDEN

Set in the grounds of Singleton Park Campus, the listed Botanical Garden is home to rare and unusual botanical specimens as well as resident foxes, bats, hedgehogs and even an occasional otter!

We are rejuvenating this listed site by removing invasive species, creating new pathways and restoring streams and cascades.

**HELP US RESTORE THE GARDENS
TO THEIR FORMER GLORY!**

🕒 WHEN?

Every Wednesday between 1pm and 4pm

📍 WHERE?

Meet at the **Oracle** in the Botanical Gardens

👕 WHAT DO I NEED?

Wear old clothes and sturdy footwear - dress for the weather

To find out more email:
p.d.edwards@swansea.ac.uk

THE SINGLETON PARK ORNAMENTAL GARDEN

The Singleton Park Ornamental Garden is located to the north-west of the Singleton Park Campus within Singleton Park - one of Wales' oldest municipal parks.

**WE NEED YOU TO HELP US RESTORE AND
MAINTAIN THIS BEAUTIFUL GARDEN.**

Working with local community groups, opportunities for Swansea University volunteers will include:

- Bulb planting
- Ground cover planting
- Soil cultivation
- Weeding
- Light pruning
- Invasive species control

HOW DO I GET INVOLVED?

To find out more email:
discovery@swansea.ac.uk
